Dear Chair DeLauro and Ranking Member Granger,

I am requesting funding for the Curriculum, Instruction, and Technology Innovation Program in fiscal year 2023. The entity to receive funding for this project is the School District of the Borough of Morrisville, located at 550 West Palmer Street, Morrisville, PA, 19067. The funding would be used to increase student achievement through the development and implementation of innovative instructional practices, curriculum revision, technology integration, the establishment of professional learning communities, and the growth of afterschool and summer support programming.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,
