Dear Chairman DeLauro and Ranking Member Granger:

I am requesting funding for the Doylestown Hospital Infant Protection Project in the upcoming Labor, Health and Human Services, and Education, and Related Agencies Appropriations bill. The entity to receive funding for this community project is Doylestown Health, located at 595 West State Street, Doylestown, PA 18901. The proposed project will provide infant protection equipment and software to the Village Improvement Association's Maternity Center at Doylestown Hospital. The project would be a valuable use of taxpayer funds because it will support the protection and security of infants and children throughout the community by providing vital medical technology that prevents infant abduction in hospitals.

I certify that neither my immediate family nor I have any financial interest in this project. Thank you for your consideration and attention to this request.

Sincerely,

A handwritten signature in blue ink that reads "Brian Fitzpatrick".
