The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for **Warminster Township Municipal Authority (WMA) PFAS Biosolids Destruction Project** in Fiscal Year 2027. The entity to receive funding for this project is **Warminster Township Municipal Authority**, located at **415 Gibson Ave, Warminster, PA, 18974**.

The funding would be used for **installing an advanced biosolids gasification facility at the wastewater treatment plant**. The project is an appropriate use of taxpayer funds because it will **destroy PFAS compounds contained in biosolids, significantly reduce the volume of residual materials, and eliminate the need for land application or landfill disposal**.

The project has a Federal nexus because the funding provided is for the purposes authorized by **Title VI of the Clean Water Act, 33 U.S.C 1381 et seq**.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brian K. Fitzpatrick
Member of Congress
