The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the **Chancellor Center Revitalization Project** in Fiscal Year 2027. The entity to receive funding for this project is **the Borough of Newtown located at 23 North State Street, Newtown, PA, 18940.**

The funding would be used **to remediate and repair water infiltration in the Chancellor Center and replace the HVAC system.** The project is an appropriate use of taxpayer funds because **the work is necessary for continued use of the facility as a centerpiece of the Borough Community as well as the Council Rock School District Community. Aside from the significance of the building in the local communities, it provides a meeting space for various community activities and groups.**

The project has a federal nexus because the funding provided is consistent with purposes authorized in **42 U.S.C. 5305(a)(4).**

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brian Fitzpatrick".
