The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the **DVVFC Fire Station Upgrade Project** in Fiscal Year 2027. The entity to receive funding for this project is **Redevelopment Authority of the County of Bucks, located at 216 Pond Street, Bristol, PA, 19007.**

The funding would be used **to modernize the current fire station to be able to have space to properly house apparatus and equipment.** The project is an appropriate use of taxpayer funds because it **will allow for better service to the community, by increasing response times due to decluttering the engine bay, protecting the investments in equipment and apparatus from the elements, providing better interior training space, and modernizing toilet facilities to current ADA standards.**

The project has a federal nexus because the funding provided is consistent with purposes authorized in **42 U.S.C. 5305(a)(2).**

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Brian K. Fitzpatrick
Member of Congress
