The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for **the Northampton Township PFAS Treatment Project** in Fiscal Year 2027. The entity to receive funding for this project is **Northampton Township**, located at **55 Township Road, Richboro, PA 18954**.

The funding would be used for **removing regulated contaminants (PFAS) from public drinking water wells**. The project is an appropriate use of taxpayer funds because it will **ensure Northampton Township residents and businesses have high quality water at reasonable rates**. The Environmental Protection Agency issued a final PFAS ruling in 2024, which **requires all water suppliers to be in compliance with PFAS regulations no later than 2029**. **Funding for this project is critical to meeting the compliance deadline and ensuring an adequate supply of water**.

The project has a Federal nexus because the funding provided is for the purposes authorized by **Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12**.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Brian Fitzpatrick".
